Meet Jack

This is Jack. He's an odd little boy that just got an empty box for his birthday. He may *look* happy, but he's a *little* disappointed. Now he'll have to put a few things in the box.

Jack would really like...

- Roller blades
- Magic tricks
- Anything Pokemon
- A motorized Lego set

You can get all this (and more) at an online toy store. Two very popular ones are toysrus.com and [eToys](http://eToys.com).

My Dog

My dog Sasha is my best friend. She likes to chase the soccer ball when I practice. It is so funny to see her running down the field trying to catch the ball with her mouth. It just won't fit!

Once Sasha saved my life. When I was only 4 years old, I started to go into the street to get a ball that had rolled across the street. Of course I did not think to look for cars! Sasha got in front of me and knocked me backwards onto the sidewalk. I was mad until I saw the car go by where I would have been. Then I was so happy that Sasha was smarter than I was!

Girl Develop It

About

It can be intimidating for women to learn and ask questions when they are in an **extreme minority**. While open and welcoming, today's budding developer community is up to **91% male**. If we can empower more females with the confidence in their technological capabilities *we can begin to change this landscape.*

Things That Make Me Sneeze:

I wanted to put together a quick list of stuff that makes me sneeze.

It's because I keep forgetting to avoid this stuff, and maybe if I write it down then I'll remember it. Particular the one about the sawdust

- Dust
- Ground Black Pepper
- Doing the following:
 1. Cutting some wood using a saw
 2. Forgetting to clean the dust off
 3. Looking at the cut real close in order to make sure that it's right
 4. Breathing in
 - It's worse when I breathe in slowly and get a real lung-full of fresh sawdust
 - The sawdust does smell nice, though
- The Next Funny Item
- The Final, Deeply Insightful Item
